Continuation of Substance of Interview including description of the general nature of what was discussed: Discussed amendments to the claims in order to put the case in condition for allowance. Discussed and agreed to putting independent claims 81, 85 and 87 in dependent form to depend from claim 1 because they were more broadly written and would require further search and consideration if they remained in independent form. Also, discussed and agreed to cancelling of claims 86, 88, 90 and 94. Agreed to amend the claims by Examiner's Amendment.
